

Neuroscience executive committee meeting minutes: 09/29/08

Meeting started at 5:30pm

Lo gave us an up to date report of our funds. The current balance is \$391.69 before reimbursements.

We decided on who was to have the current event for the next meeting, and this will be Lo.

At the next meeting we will be discussing the different fundraising opportunities we have decided on, and the outreach with the alternatives to violence. We will also be getting people thinking about who we want for our spring speaker. There will also be a reminder to pay dues.

Meeting ended at 5:45pm.
