

Neuroscience club meeting minutes: 04/07/08

The meeting started at 4:00pm.

Steve introduced Dr. Paul Verrell who came to speak about pre-med and pre-dent applications. There was very good information told by him and if there are any questions lingering then he is available in his office in Troy.

There was an announcement about the Spring Seminar. Dr. Diana Williams has confirmed to speak, and will be discussing obesity. The Spring Seminar is going to be held on April 16th at 4:00pm in Kimbrough hall room 101. We will need volunteers to distribute fliers on the mall, as well as giving announcements to science classes.

The next thing that was discussed was the outreach. We decided on a date to do the outreach at Lincoln Middle School. The date will be for Friday April 18th all day. A sign up sheet went around for times to volunteer to teach the students about neuroscience.

Jessica Lack made an announcement about the Women in Neuroscience program put on by the Palouse Science Center. On April 16th at 6:00pm there will be an event at the Palouse Science Center where volunteers will be needed to be at stations and answer questions from high school and middle school aged kids about why they are in neuroscience. Only women are needed for this. A volunteer sheet was sent around, for students to sign up for this event.

The final point on the agenda was voting for new officers. There was a vote to eliminate the historian position. A 2/3 vote was needed, and a 2/3 vote was obtained. The historian position is no longer as of 04/07/08. Nominations were made for the remaining positions. The nominee for President was Alan Emmanuel, for Vice-President was Alex Bond, for Treasurer Lo C. and Dane, and for Communications Officer Jessica L. and Cami J. Everyone voted and it was unanimous for president and vice-president. Andrew B. moved to elect Alan for president and Alex for vice-president and Allyssa seconded that motion. There was a vote taken for the Treasurer and the majority went to Lo C. There was another vote taken for the communications officer and the majority went to Cami J.

This concluded the meeting and the meeting ended at 5:50pm.

President: Alan Emanuel

Vice President: Alex Bond

Treasurer: Lo Curtis

Communications Officer: Cami Jones
