

Hello Everyone,

Here are the minutes from the first Neuroscience meeting of the year, which I might add was fantastic!!

- Club Activities
 - Guest speaker in Spring for whole campus event
 - Guest speakers at meetings throughout the year
 - Middle school neuroscience outreach
 - Need people interested in going for an hour or so at a time to talk to kids about neuroscience
 - Please e-mail Pam Colbert or Sandi Brabb if interested
 - Club t-shirt
 - Bring ideas for design to Wegner 205 or to next club meeting
- Next meeting will be September 22 (29?)
- If you would like to be an official member of the club it would greatly appreciated if you brought \$5 for dues to the next meeting
- Abbie Demeerleer was very kind to come talk about Vet School
