

- Collected dues
 - Please bring \$5 to next meeting if didn't pay dues
- T-shirts
 - Need design; could use old ideas or anyone can create new design
 - Bring any ideas to next meeting and we will vote on design and colors
- Test Bank
 - Drop off any tests from Chemistry, Biology, Physics, Neuroscience, etc that might be useful for studying in Wegner 205
 - There will be a folder so anyone can look at old tests so they have an idea of what to expect
- Kids Judge Science Fair
 - Tuesday before Spring Break
 - Volunteers needed- contact Sandi Brabb
- Neuroscience Retreat
 - In May after school gets out
 - Anyone who is certified Neuroscience major or will be by the end of spring semester is welcome
 - All expenses paid for
 - Contact Sandi Brabb for more information
- Middle School Outreach
 - Looking for people interested in giving presentations to middle school kids about neuroscience
 - If didn't sign up at meeting than e-mail Amanda (starz1010101@yahoo.com) or Lindsay (Lindznfry@wsu.edu)
 - Benefits: Looks good on resumes, community service, leadership, way to get students interested in neuroscience
- Join the Neuroscience Facebook Club!!!
 - Look for news about upcoming events and meetings
- Barb Sorg
 - Coming to talk at Neuro Club meeting in late November to talk about addiction
- Possible lecturers wanted at future meetings
 - Bring ideas to next meeting
- Topics that the club would like to discuss in the relation to the neuroscience field
- Next meeting October 27th
 - Demo on Neuroscience
 - Real Brains!!!
 - Pizza!!!
