Now it’s your turn!

Goal 1:
1. Identify the overarching/broader objective or goal your outcome is going to support:

2. Identify the audience:

3. What do you want them to be able to know, think, or be able to do? (Be specific!)

4. What circumstances or context will foster the learning?

5. To what degree will the learning occur? (Be specific!)

6. How will you measure the learning?

Fill in the blanks:
Audience: <Who> _______________________________________________________

Behavior: <will learn what> ________________________________________________

Condition: <under these circumstances / conditions>

Degree: <to this level of efficiency / effectiveness>

Check yourself:       Yes No Not sure
