

OUTSTANDING 4th YEAR TEACHING BY VTH VETERINARY TECHNICIANS:

Veterinary Technicians in the VTH also play an important role in teaching 4th year veterinary students. Many of them invest a significant amount of time and effort in your training. Again this year, we invite you to nominate up to 3 VTH veterinary technicians who you believe demonstrate excellence in teaching or an overall excellent dedication to teaching veterinary students. Once again, go to the same survey URL listed below. **When prompted, entered the names of 1 to 3 VTH staff, along with the rotation each teaches in.** See the list of VTH staff below.

All 4th year teaching awards are on the SAME survey. It shouldn't take but 3-4 minutes to enter your votes. Just enter the names you choose in the provided text boxes on the survey.

2018 “Most Outstanding House Officer” Award

Senior Class Selection of the Most Outstanding House Officer

The Outstanding House Officer is selected by the senior class. The recipient will receive \$1,000 and recognition at the annual Awards Ceremony.

Selection is based on:

- excellence in teaching,
- mentoring and serving as a role model,
- compassionate care of clients and patients,
- teaching their students to be compassionate, and
- demonstrating the qualities symbolized by the Care Call Statue.

Please respect the criteria for this award and then vote for (enter the name of) one person, plus an alternate.
