- At the top of the Lewiston grade take the Pullman exit. This will be Hwy 195.
- As you drive into Pullman, the highway becomes Grand Avenue as you enter the city limits.
- At the first stop light (by McDonald's), turn right. This will be Bishop Boulevard.
- Follow Bishop Blvd. over the hill, down past the motels and up the small incline to the first stop light. Turn left, here, onto Highway 270 (this turns into Main Street).
- At the stoplight, turn right. This will be Stadium Way.
- Follow Stadium Way to traffic light at Grimes Way and turn right.
- Take the second right hand turn. This will be by the brown sign that says Veterinary Hospital.
- Follow this driveway to the clinic parking lot, then enter the front doors to the reception area.

For equine parking, pass the first parking lot and go straight through the gates. Trailer parking is on the left hand side. All other vehicles may park in the lot in front of the main hospital.
