

# Northwest Scientific Association 2010 Student Research Grant Competition

**Jump-start your research!**

**T**HIS IS AN OPPORTUNITY to fund your research, organize a grant proposal, add substance to your CV, and potentially have your research published in the scientific quarterly, *Northwest Science*. The Northwest Scientific Association awards **grants of up to \$1,500** to support student research in the pure and applied sciences. **Undergraduate students are encouraged to apply.** This year a “David Hansen Memorial Research Grant” will be awarded in recognition of the long service of David Hansen to NWSA.

**Applicants must be student members of NWSA.** Visit the NWSA Web page at [www.vetmed.wsu.edu/org\\_nws/NWSci\\_Home.htm](http://www.vetmed.wsu.edu/org_nws/NWSci_Home.htm) for membership information. Grant monies may only be used to support research travel, materials, and supplies for student research (proposals requesting salary support or travel to meetings will *not* be considered). **Funding will only be offered for projects conducted in the Pacific Northwest.**

The deadline for all proposals is **midnight, 8 February 2010** (for electronic submission), or **postmarked by 8 February 2010** (if mailed to the chair of the Student Research Grant Committee).

**All applications must follow the proposal submission guidelines provided on the Northwest Scientific Association Web site, located at:  
[www.vetmed.wsu.edu/org\\_nws/NWSci\\_Home.htm](http://www.vetmed.wsu.edu/org_nws/NWSci_Home.htm)**

E-mail or mail proposals by 8 February 2010, to:

Dr. Robin Leshner  
NWSA Student Research Grant Committee Chair  
4602 – 226th St. SW, Mountlake Terrace, WA 98043
