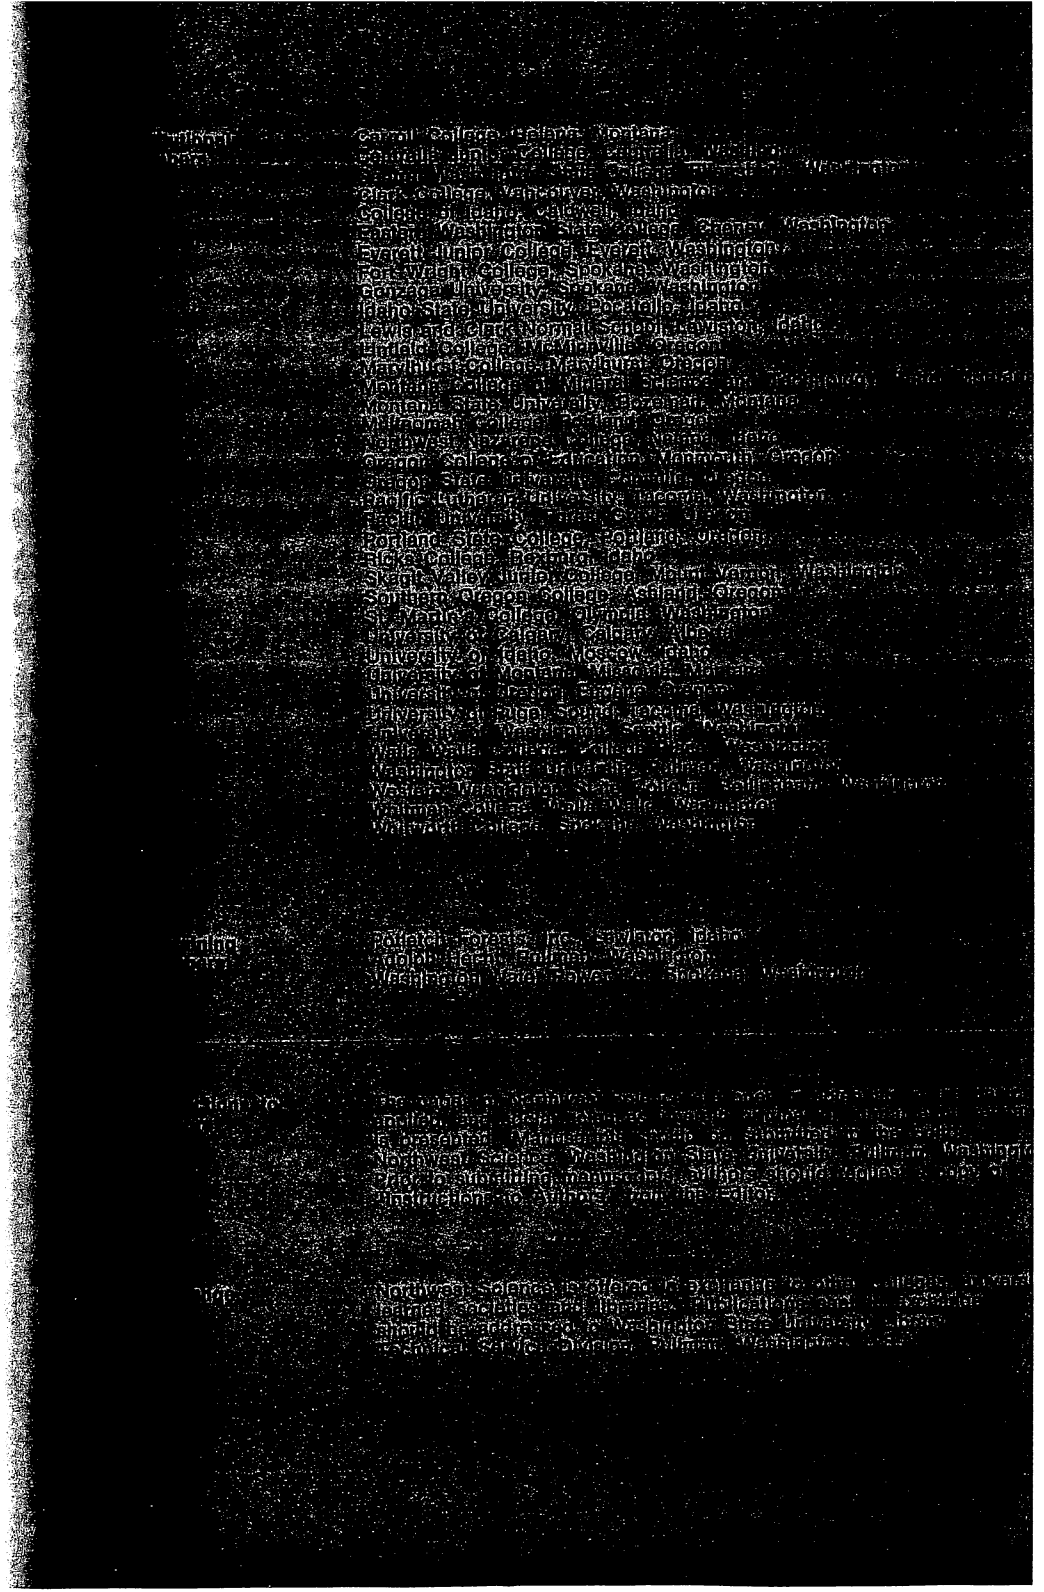
Association News

The 42nd annual meeting will be held at Eastern Washington State College in Cheney, Washington, on March 21 and 22, 1969. Current and recent members of the Association, as well as most of the relevant institutions and organizations in the region, should have received forms for submitting titles of papers to be presented at the meeting. If a form is not readily available, individuals may simply send the following information to the appropriate Section Chairman (listed below): title of paper, brief summary, presentation time, visual and equipment needs, author's name, mailing address, employing organization, and whether or not he is a student. *The titles and accompanying information must be sent to the Section Chairman by December 16, 1968.*

Botany-Zool.	W. C. Denison, Botany Dept., OSU, Corvallis, Ore. 97331
Chem.-Physics	Helmi Habib, Chemistry Dept., CWSC, Ellensburg, Wn. 98926
Forestry	Michael A. Newton, School of Forestry, OSU, Corvallis, Ore. 97331
Geology-Geog.	Ernest A. Gilmour, Dept. of Geology, EWSC, Cheney, Wn. 99004
Social Sci.	M. E. Eliot-Hurst, Dept. of Geography, Simon Fraser Univ., Burnaby, B.C.
Sci. Ed.	Harold C. Jorgenson, School of Education, Portland State College, Portland, Ore. 97207
Soil & Water	Alfred R. Halvorson, Agronomy Dept., WSU, Pullman, Wn. 99163
Math.	Donald R. Horner, Math. Dept., EWSC, Cheney, Wash. 99004

Those giving papers are encouraged to submit an abstract (not more than 100 words, preferably) for publication in the February issue of *Northwest Science.* Send to the Editor, Joseph W. Mills, Geology Dept., WSU, Pullman, Wash., 99163. *January 1, 1969, is the deadline date for this.*


Applications are being accepted for several research grants in the range of $50 to $150 to cover laboratory supplies and services or field costs. Send a concise resumé of the proposed research and a statement of costs to be covered by the grant to William K. Ferrell, School of Forestry, Oregon State University, Corvallis, Oregon 97331. The grants will be awarded in March, 1969.
